It is a private, unique and adventurous experience offered for guests who would like to try something new and spend a night away from the main camp, under the stars. Accompanied by an armed walking guide and local ranger, guests will spend the afternoon on walking safari. As they reach our mobile camp, their dome canvas tent will already be set up with comfortable bedding and crisp white linen. For the ultimate experience the tent's external flysheet can be removed to enjoy the clear night sky view through the mosquito net. Guests will have the opportunity to sit under the stars, enjoy the campfire and sounds of nature. A dedicated chef will prepare a memorable dinner, cooked on an open fire. A hot bucket shower all set up in a private location for you to enjoy. The next morning guests will have breakfast and then return to camp by foot getting another opportunity to explore.
