Tents & Family Tents, layout and features

Tents (8)

- Tents size: 12m x 4m inside with an outside seating area of 2m x 4m
- Each tent has a sleeping couch that can be converted into a bed for a child only.
- Each tent has an inner seating area and a small outdoor seating area with two armchairs and a hand-basin.
- Double vanity with running water
- Open-air bathroom with shower and a free-standing brass mini bathtub. Mini bathtub because water is precious ! Baths are taken "on request", with at least 45 minutes to 1 hour notice required or in the morning for the evening, so that the water can be heated and transported to the tent. It's a rare ritual in a mobile camp, and one that takes our guests back to the days of the great explorations, or to the nostalgia of "Out of Africa"...
- Separate isolated flushing porcelain WC
- Electrical outlets throughout individual tents and in main areas (international plug points plus USB)
- Hairdryer (available on request)
- Organic Healing Earth products: shower gel, shampoo etc.
- Two-way radio
- Freestanding Fans
- Safety deposit box available in Manager's office.
